## Principal's Message

Welcome to October!

We have had such a wonderful first month of school! The teachers, students, and staff have been incredible.

I had the opportunity to visit some schools in St. George and Arizona the last week of September. All schools have their strengths, but I want to share with you that Hidden Hollow has top-notch teachers! I am so impressed with their love for your children! They spend the time necessary to give your children a great education. We also have a very supportive staff! Our school community is the best around! It is nice to go and visit other schools, but I am always glad to come back to our school and be a part of such a wonderful group of people.

I also want to give a shout out to our PTA and SCC. These are parents who volunteer their time on behalf of our Hidden Hollow community. They are awesome! If you want to help out...give them a call. It is a great group of individuals who want what is best for our school. Thank you PTA and SCC!

We look forward to the many activities planned over the next few months. Please take the time to check your child's backpack for their grade/classroom level activities. We would love to see you here!

Have a great month!

Mr. Davies – Principal – Hidden Hollow Elementary
