

Highland Elementary School  
School Community Council Minutes  
Thursday, September 15, 2016

1. Introductions of SCC members. Jamie Wride ([jamiewride@yahoo.com](mailto:jamiewride@yahoo.com)) - District Community Council rep in attendance. Keith Johnson excused.
2. School Report: Mr. Hodson
  - a. 2015-16 SAGE Test Results (packet of test results for Highland and Alpine District schools distributed and reviewed). Test results should be available on Skyward shortly.
    - i. Goal for 2016-17 is to get Language Arts (LA) result back up in the 70 percentiles.
    - ii. Overall, Highland's results dropped a little bit...Cedar Ridge is #1 this year in the District and Highland is #2.
    - iii. Chronic absenteeism (12+ absences within a school year) is something that our area (and school) get cited for. CA doesn't seem to cause serious problems as most families make up the missed work.
  - b. District has instructional coaches to help new teachers (9 new at Highland this year), with interventions in DIBELS, and with Wonders. Although coaches meet with new teachers, all teachers can get help as needed.
  - c. Class sizes good this year – 853 total students enrolled currently at Highland.
3. Meeting Schedule – 2<sup>nd</sup> Thursdays conflict with Lone Peak SCC. Will move meetings to first Thursdays of each month, except for October. October's meeting is tentatively scheduled for October 13, but Mr. Hodson will check school schedule to see if we can meet on October 6. No meeting in December.
4. Training Videos for SCC members available online.
5. Contact Jaime Ward to add agenda items for next month's meeting.
6. Meeting adjourned at 4:20 p.m.
